Welcome to our 2+
Session.

The aim of the 2+ session

- ☺ To separate with support from main carer
- ☺ To separate with confidence from main carer
- ☺ To introduce young children to Pre-School in a smaller, less daunting group, with a high adult ratio
- ☺ To begin to introduce the routines of Pre-School in a shorter session
- ☺ To prepare young children for progression into regular Pre-School
- ☺ To enable your child's Key Person to get to know your child and work with you on completing the 2 years old assessment. We would like to come out to visit you at home to do this.

What will my child do in the session?

In addition to a varied range of equipment and toys at Pre-School, there are craft activities, play dough, sand and water play, and a fantastic all-weather outdoor play area that the children have access to. The children also have our wonderful wildlife & kitchen gardens to explore too. During the session the children sit down for a drink and a snack to recharge their batteries!

Just before home time they can settle down for a story and a sing song, which can include musical instruments and action songs.

What do I need to remember?

- ☺ A change of clothes - for example: trousers/skirt, top, pants and socks (these can be kept at Preschool in their named blue peg bag).
- ☺ Spare nappies/pull-ups (if still using), baby wipes and nappy bags.
- ☺ Warm coats and hats etc (in Winter).
- ☺ Sun hats & sun cream (in Summer).
- ☺ Please remember to name **all items** brought into Pre-School.
