Let's Play Together

The aim of the Let's Play Together session

- ☺ To introduce Parents/Carers & young children to Pre-School.
- ☺ To give Parents & Children the chance to meet others and form friendships & mutual support.
- ☺ To enable Parents & Children to become familiar with the setting and the Staff.
- ☺ Starting to build partnerships that will benefit the Children in our care.
- ☺ To prepare young children & their families for progression into the 2+ Session.
- ☺ To support families who may be eligible for the 2 year old funding entitlement and help them access it.

What will we do in the session?

This is a very informal 'Drop-In' Session.

We open our doors at 8:45am and welcome you into our warm and well equipped carpeted classroom.

There is a wide range of age appropriate toys & activities for 0-2 year olds to explore.

We finish the morning with a short story and music & movement.

The Let's Play Session is overseen by qualified & experienced Pre-School Staff who are always ready to discuss any concerns you may have about your Child, their development & share ideas for ways to support them at home.
