

Newsletter - Term 2b (21st Feb to 31st Mar 2022)

News / Fundraising

- We will again be hosting our Mother's day "pop up" shop where our children get the opportunity to purchase from a range of carefully chosen goodies to give to their loved ones and raise funds for preschool at the same time.
- Also with Easter on the horizon there are a few of our wonderful chocolate recipe books still available from Pre School or Trinity bakery at £7.50 each.

What we have been learning about

As ever we are having a fun packed time as we take part in and celebrate a host of special days - and March is full of them. We will be making and eating pancakes for snack on pancake day, dressing as our favourite fictional characters and enjoying a range of literary activities for World Book Day, exploring colour and the rebirth of Spring during the Hindu festival of Holi, raising money and awareness for those less fortunate than ourselves on Red Nose Day and of course creating a range of lovingly crafted cards and small gifts for Mother's Day and Easter.

COVID-19

If you have any concerns and think that your child may have Covid please carry out a lateral flow test. Although it is not a legal requirement to self isolate anymore we urge you to keep your child at home to protect others.

Covid Symptoms are:-

- a high temperature (37.8 or higher)
- a new, continuous cough
- a loss or change to sense of smell or taste

Thank you for your support at this difficult time

Thank you

- To parents past and present who continue to think of us and have recently contributed to our resources or helped us out with maintenance issues.
- To "Forest School Nick" who was very naughty (but nice) and who recently presented us with a fabulous new "wagon" for transporting cargo on our forest adventures.

HAPPY BIRTHDAY

March

Archie, Oliver, Emma & Leo

Term 2b

21st February to
31st March 2022

Term 3a

20th April to
27th May 2022

If your child is feeling unwell, please do not bring them into pre-school. If too many of our staff get sick we will not be able to open as we will not have sufficient adults to maintain the necessary ratios.

Help your child at home

- Please help your child become an independent dresser, teach them to put their coats on, do buttons & zips up and put their shoes on.
- Look out for numbers and letters in the environment, children love to spot them and tell you what they are.
- Talk to your child about the seasons, how plants & animals grow, where certain food comes from etc
- Talk about their senses appropriately - taste, sight, hearing, touch & smell.
- Positional language in context - in, out, over, under, above, below etc.
- Remember to look on our windows, notice board and Facebook page for ideas, information & events.
