

Newsletter - Term 3a (18th Apr to 26th May 2023)

News / Fundraising

- We have some fabulous new resources to enhance our setting - new outdoor chalkboards in our play area, some lovely raised beds ready for planting out with all sorts of edible goodies & a wonderful new mud kitchen.

What we have been learning about

The children have loved watching frog spawn change from 'jelly globs' to wriggly tadpoles - hopefully we'll see tiny frogs very soon.

Our very small caterpillars have arrived and we look forward to experiencing the always miraculous transformation from earthbound munchers to airborne dancers on the breeze.

As part of our life cycle learning we are planting beans, potatoes, tomatoes and much more. We will be harvesting them later in the year.

May brings a number of days to think about our beautiful world - endangered species day, biological diversity day and one of our favourites - that always gets us buzzing - World Bee Day!

Thank you

- A Massive thank you to a number of our Dad's & Grandad's who have been absolute stars over the last few weeks - The Steves & Tom for maintenance above & beyond.
- Also John & Team for working on some amazing chalkboards and planters for our kitchen garden - plus the kind donation of our amazing outdoor kitchen ☺

HAPPY BIRTHDAY

May

William, Lucas, Teddy, Clayton-Rhys
& Alola

Term 3a

18th April to

26th May

Term 3b

5th June to

21st July

If your child is feeling unwell, please do not bring them into pre-school. If too many of our staff get sick we will not be able to open as we will not have sufficient adults to maintain the necessary ratios.

Help your child at home

- Please help your child become an independent dresser, teach them to put their coats on, do buttons & zips up and put their shoes on.
- Look out for numbers and letters in the environment, children love to spot them and tell you what they are.
- Talk to your child about the seasons, how plants & animals grow, where certain food comes from etc
- Talk about their senses appropriately - taste, sight, hearing, touch & smell.
- Positional language in context - in, out, over, under, above, below etc.
- Remember to look on our windows, notice board and Facebook page for ideas, information & events.
