

Abbey 3 4 5 Pre-School

Education and Fun in a Safe and Stimulating Environment

Newsletter - Term 3a (16th April to 25th May) 2017 / 2018

News / Fundraising

- Our annual family Disco was a great success, our families enjoyed boogying the night away.
- Places for our Quiz Night on Friday 8th June at the British Legion are on sale now at £8 each. Supper of a filled baked potato is provided. Maximum of 6 to a team.
- We are hoping to see lots of friendly faces at the Crowland Show on 23rd June - we will be offering home baked goodies, books & face painting - see you there!

What we have been learning about

- We are into full on growing mode at Pre-School and are busy planting out our vegetable garden. The children are enjoying preparing the soil and getting to know what different seeds look like.
- We are also exploring different life cycles and are eagerly anticipating our frog spawn changing into frogs and watching our caterpillars morph from chrysalis to beautiful butterflies.
- We were so excited to extend our egg theme by introducing the children to dinosaur eggs. Following the amazing find of giant footprints and a massive egg in the sensory garden we were thrilled to discover the egg shell in pieces in our nest and a chain of little footprints. A search of the building revealed a baby Ankylosaurus - everybody say aaaaahh!!
- Inspired by The Queens Commonwealth Canopy our children have planted a new tree in our woodland garden, painted some beautiful tree pictures and sent a letter to The Queen herself - I wonder whether she'll be kind enough to reply?

Thank You

- A big thank you to Darren for his continued help with maintenance at Pre-School.
- Thank you to Trevor Harrison for arranging a charity quiz - an enthusiastic team turned out from Abbey 345 who not only had a fun & fact filled evening but also earned some extra pennies for Pre-School.

HAPPY BIRTHDAY

May & June

Anaiya, William O, Sienna, Ronnie,
Otis, Chiana & Judith

TERM DATES

Term 3a
16th Apr to 25th May

Term 3b
4th June to 20th July

If your child is feeling unwell, please do not bring them into pre-school. If too many of our staff get sick we will not be able to open as we will not be able to have sufficient adults to maintain the necessary ratios.

Help your child at home

- Please help your child become an independent dresser, teach them to put their coats on, do buttons & zips up and put their shoes on.
- Look out for numbers and letters in the environment, children love to spot them and tell you what they are.
- Talk to your child about the seasons, how plants & animals grow, where certain food comes from etc
- Talk about their senses appropriately - taste, sight, hearing, touch & smell.
- Positional language in context - in, out, over, under, above, below etc.
- Remember to look on our windows, notice board and Facebook page for ideas, information & events.
