News / Fundraising

- Our Quiz Night was a great success - Thank you to all who attended and to those who contributed luscious desserts & raffle prizes.
- We have had 2 pallets of new 'loose parts' resources to encourage problem solving and active play.
- We rounded off a wide variety of animal visitors with 2 visits from puppies. Thank you to our Kym for bringing Ava in to see us and to Teddy & Mary for bringing their puppies, Daisy & Skye in for a cuddle.
- Summer is moving on a pace and once again our children will be keeping in touch with Pre-School through our Summer Holiday Club. We are out & about in the community on nature walks and helping our town keep tidy by doing litter picks - keep a look out for us and give us a wave ☺
- We are hosting a Clay Pigeon Shoot & Family Fun Day at Welland Valley Gun Club on 30th September from 1.30pm. Tickets on sale from Bridge Hardware.
- Good Luck to our lovely School Readiness Children as they fly up to 'Big School' - we will miss you all, we look forward to seeing you in your smart new uniforms both in School and around Crowland - please make sure you still say a big Hello!

What we have been learning about

- As our School Year draws to a close we have been visiting School to see Foundation class assembly dress rehearsals, meet our new teachers and attend Sports Day.
- We have been exploring our fabulous new resources and using them to den build, creating racing cars, pirate ships and much more.
- We have had a number of very exciting visitors and learnt about people who help us from the community and also how to care for living creatures.
- During Holiday Club we will be covering a wide range of topics including drumming, cooking, community projects, enjoying the beach & water play.
- When we start the new term in September our new School Readiness children will be learning how to manage their lunchboxes and adjusting to longer days.
- We can't wait to see you all back after the Summer Holidays.

Thank You

- Thank you to Shazia who provided a fantastic sand/water combo for our woodland garden.
- Thanks to Russ (the Milkman), Crowland Fire Service, Steph the Practise Nurse, Remco & Sylvia the Vets and a range of animal guests provided by various parents (past & present) & friends of Pre-School who have all contributed to a great learning experience this term.

Term 1a

If your child is feeling unwell, please do not bring them into pre-school. If too many of our staff get sick we will not be able to open as we will not be able to have sufficient adults to maintain the necessary ratios.

Help your child at home

- Please help your child become an independent dresser, teach them to put their coats on, do buttons & zips up and put their shoes on.
- Look out for numbers and letters in the environment, children love to spot them and tell you what they are.
- Talk to your child about the seasons, how plants & animals grow, where certain food comes from etc
- Talk about their senses appropriately - taste, sight, hearing, touch & smell.
- Positional language in context - in, out, over, under, above, below etc.
- Remember to look on our windows, notice board and Facebook page for ideas, information & events.
